

THETA DELTA CHI'S ALUMNI NEWSLETTER

MAY '24

Today is a GREAT day to be a Theta Delt
IN THIS ISSUE: MyTDX / Convention / The Shield / Dartmouth Celebrates Frost's
150th Birthday

MyTDX

Welcome to Theta Delta Chi's Alumni Newsletter

This electronic newsletter is sent regularly throughout the year, but this might be the first time you've received it in your inbox! The newsletter is sent through our management software, GreekTrack, which also powers our member portal, [MyTDX \(mytdx.org\)](http://MyTDX(mytdx.org)). On May 14th, an invite was sent to your email address asking you to activate your account.

MyTDX is the official database for the Fraternity and allows members to access and update their own profiles. It also hosts many resources and offers tools for Charges, House Corporations, Advisors, and Alumni Associations.

For most members, MyTDX is useful for setting up communication preferences, updating mailing addresses for the Shield, and connecting to their Charge brothers.

If you have already accessed your profile, jump ahead to read about the 177th Convention, the newest issue of the Shield, and Robert Frost's 150th Birthday celebration at Dartmouth.

Theta Delta Chi has recently updated many records in our database.

The new email and mailing addresses have increased alumni communication across the board. Your Charge and the Central Fraternity Office utilize the information in the database to stay in touch.

If this is your first email from Theta Delta Chi, or you have not accessed MyTDX before you should:

Look for your MyTDX invite

Email invites to sign-up and set your password have been sent

To ensure emails are delivered properly, add greektrack@mytdx.org to your email address book.

Can't find your email invite?

Complete the [Claim Form](#)

Now that you have access:

From your Charge homepage:

Press Update Profile to review all your address and contact information

While editing your profile, you can navigate to the Contact Preferences tab to set your preferences

Review donation history

Update your work experience to network with Theta Deltas

Find and connect with Charge Brothers

If you rather update your information or report misdelivery using a form, you can also do so [here](#).

Join us for the 177th annual Convention of Theta Delta Chi which will be held in Williamsburg, VA, August 1-3. Williamsburg, home of the Epsilon Charge, will host this year's Convention as we celebrate the return of the Charge at William and Mary. Conventioneers are welcome to register at <http://tdxconvention.org> and ticket sales will remain active until the day of each given event.

This year conventioneers can opt in to a Theta Delt golf tournament held on the first day of Convention (Thursday) at The Green Course at Golden Horseshoe Golf Club. The tournament will be 18 holes with Tee Times available from 8:50 am - 10:00 am, and participants will receive a Convention souvenir. In addition to the golf tournament on Thursday morning, indoor golf will be offered in the evening at Revolution Golf and Grille.

In addition to the aforementioned events, we will be hosting the Epsilon Reception and Re-Chartering Dinner, the Omega Service, Minerva Sessions and the business sessions of the Fraternity. The Grand Banquet will be held Saturday and this year the race for awards is closer than ever. With the increasing drive from the undergraduates to improve in order to be in the running for awards, as well as the unwavering support from alumni, it will be a difficult decision to crown just one winner for each award.

Register now for the 177th annual Convention at tdxconvention.org.

THE SHIELD.

Published in the interest of the Theta Delta Chi.

The latest issue of The Shield is in the mail, but you can read it right now by heading to the Public File section of MyTDX.org or by clicking [here](#).

Thank you to all our donors. If your name is not listed in the honor roll and should be, please let us know. If you have not given in 2024, please consider donating to the Educational Foundation today. You help make our programs and services possible.

DARTMOUTH CELEBRATES FROST'S 150 BIRTHDAY

Robert Frost, Dartmouth Class of 1896 was initiated into the Omicron Deuteron Charge on October 21, 1892. March 26, 2024, marked his 150th birthday.

The Omicron Deuteron House Corporation, with support from the Theta Delta Chi Educational Foundation, celebrated the milestone birthday in Hanover. Shown upper left is one of the posters that was used to advertise the celebrations.

Pictured above, right, is Gordon Clapp, star of the one-man show “Frost at Dartmouth”. The show was at Barker Library.

In addition to the show, they funded the reception following it and fifty copies of Frost’s complete poems, which were gifted to middle students who recited the poems at the Sanborn Hall Library. Mr. Glazer and the students are pictured below in the library.

**CELEBRATE
ROBERT FROST'S
150th BIRTHDAY!**

Join Theta Delta Chi,
Dartmouth Libraries,
Crossroads Academy, and
the Dartmouth Department
of English and Creative
Writing as we commemorate
Robert Frost's 150th
birthday a day early!
