# Stars Ablaze

Richmond K. Fletcher, Iota 1908  
Written especially for Theta Delta Chi and presented at  
The 60<sup>th</sup> Convention, New York, 1908

Oh we've never a care what the weather  
And we don't give a rap about the rain,  
So be jolly boys be jolly now or never  
While we're Theta Delts together again.  
Then fill up till the cup runneth over  
Let us drink to the Queen of them all!  
She has banded us brother to brother  
Till the sands of time cease to fall!  
Then stand and raise your glass on high

### **Chorus:**

Here's to Theta Delta Chi  
Royal fraternity!  
That golden haze of Stars ablaze  
Shines out from sea to sea!  
Then here's my heart and here's my hand  
Loyal to her we'll be  
While the host of Theta Delta Chi  
March on to eternity
