

Theta Delta Chi International Fraternity

Love Cannot Die (Joyful we greet you)

Lewis Halsey, Xi 1868

Joyful we greet you, brothers beloved and true
Neath our Black White and Blue
Banner we love.
Raise now the Chorus high
Praise Theta Delta Chi.
Bright shine our stars above,
Love cannot die.

Raise now the Anthem of our fraternity
Praise Theta Delta Chi
In heart and song.
Let ev'ry shield rejoice
Join ev'ry Theta's voice.
The chorus land prolong,
Love cannot die.

Fate soon may sever fond hearts must say "farewell"
Time sadly tolls the knell of happy hours.
But we shall meet once more
United as of yore.
Amid Omega's Flower's,
Love cannot die.
