PGL Letter

The start of the New Year is always a time to reflect on the past, while creating resolutions for self-improvement for the future. This time of year, in combination with my second term as President of the Grand Lodge coming to a close, has led me to reflect on the growth and development of Theta Delta Chi since I became intimately involved with the fraternity's operations as a Charge Consultant in the summer of 2002. Much has changed during these past eight plus years.

The late 90s and early 2000s were a period of declining undergraduate membership and financial instability for the fraternity. I distinctly remember during my first week at the Central Fraternity Office I was told by fellow consultant Jerome Arnold, Xi Deuteron (Washington) '00 that I needed to convince several Charges to pay some of their delinquent bills if I hoped to receive my first paycheck. Fortunately, under the stewardship of Executive Director Bill McClung, Iota Deuteron (Williams) '66 our situation has significantly improved, and the fraternity is now financial solvent and stable.

After the fraternity dipped to its lowest number of active Charges in the spring of 2005 in over a hundred years, the past five years have provided Theta Delta Chi with an unprecedented period of growth. If the upcoming chartering ceremonies of Xi (Hobart), and Upsilon Triton (Indiana) are included, the fraternity has added 9 Charges to our roll during a six-year period. With the addition of the Director of Expansion position to the CFO staff in 2007, I am confident that this trend will continue.

Some of the most significant amendments to our Constitution and Bylaws have been made over the past 8 years. The Charges ratified amendments to separate our Constitution and Bylaws from our ritual in 2005, allowing the former documents to be public for the first time during our fraternity's history. More recently, this past October the Charges ratified amendments to expand the Grand Lodge to seven members: the first expansion of the Grand Lodge since 1909.

Finally, the annual Preamble Institute, first held in 2007, has emerged as Theta Delta Chi's premiere values-based leadership program. Many of the emerging leaders in our fraternity, including both undergraduate members of the Grand Lodge, are graduates of this program, and I am confident that PI will contribute to the betterment of our undergraduate members for years to come.

Like the fraternity, my life has changed significantly over the past 8 plus years. Somehow amidst the chaos and evolution of my life, Theta Delts have been constant stalwarts of support. I was with Branden Yee, Kappa (Tufts) '04 when I met my wife Jackie in December of 2004, Ryan Aggergaard, Xi Deuteron (Washington) '03 stood by my side as my best man in 2006 when Jackie and I married, and Theta Delts like Brett Goldsmith, Chi Deuteron '98 were among the first people I called when I found out Jackie was pregnant with our first child this past October. I am confident that the close friendships I have made through my fraternity experience will endure through the rest of my life.

I have told several brothers that if Jackie and I have a boy, I plan on placing a pledge pin on his diaper immediately after his birth. While I say this half-jokingly, the reality that I am going to be a father has caused me to think a great deal about the future of Theta Delta Chi. I hope that when my son or daughter enters college in the fall of 2029 that he or she will find that the Charge on his or her campus is filled with leaders in the Greek and college communities, composed of men who are committed to the values of our fraternity. If it's a boy, I'll not only be proud if my son chooses to pledge Theta Delta Chi, but I will be confident that his brothers will provide him with a safe and enriching learning environment that is better than any other on his campus. If it's a girl, I hope that if she chooses to date a Theta Delt, I will know that she has selected a man committed to improving himself not only intellectually, but that he holds himself to the highest moral ideals.

Now more than ever, I am resolved to make sure that Theta Delta Chi remains relevant in our college community, and that our brothers, young and old, live the values that were so elegantly penned by our founders 163 years ago in Union College's old West College. After all, it is each of our duties to make sure that our brotherhood is perpetuated through all future generations. Will you join me in making this resolution?

In the Bonds,

Adam M. McGready, Chi Deuteron '02 (George Washington)
62nd President of the Grand Lodge

Convention 2011

August 3-6, **MARRIOTT BOSTON/CAMBRIDGE**
Cambridge, Massachusetts

The Convention will bring Theta Delts together at the CFO and our area Charges, Theta Deuteron at MIT and Kappa at Tufts. The Marriott is a first-class modern hotel with every comfort. Look for information at www.tdx.org and for registration in April 2011, or contact the CFO for more information.

Convention 2012

August 1-4, **INTERCONTINENTAL YORKVILLE**
Toronto, Ontario

Lambda Deuts will rally to celebrate the Charge's 100th anniversary. Look for more information in this space next year!

Charges Ratify Grand Lodge Expansion

The 163rd Convention last August, after substantial debate, authorized a proposal by the Standing Committee on Legislation to increase the membership of the Grand Lodge from five to seven. The two new members, known as Executive Members, must be alumni. The Charges have subsequently ratified the Convention's action, and the existing Grand Lodge has acted on statutory authority to appoint the new members, who, again subject to Charge ratification, will hold office until the elections at the 164th and 165th Conventions respectively.

A Theta Delt for Life

With this issue of *The Shield* we kick off the 2011 Voluntary Graduate Dues campaign.

The concept behind VG Dues is simple. Alumni support insures that our fraternity has a future. The primary beneficiaries of the Educational Foundation's programs are our undergraduate brothers and by extension, the local campus communities. Alumni support enables the Foundation to realize its mission to promote education and brotherhood for each new generation of undergraduate Theta Deltas, affording them the opportunity to enjoy the rewards, responsibilities and pleasures of fraternity membership.

Sincere fraternal thanks to our loyal and generous alumni listed in the Honor Roll of Giving for not abandoning TDX during this recession and for honoring their pledge to a lifelong support of a "friendship founded on mutual esteem and dependence."

Contributions to the Educational Foundation are tax deductible in the United States and support scholarships, grants and loans to our charges in need, fraternity publications, alumni associations/house corporations, and undergraduate leadership training workshops.

CHECKS SHOULD BE MADE PAYABLE TO: "Theta Delta Chi Educational Foundation, Inc." and mailed in the envelope in this issue to 214 Lewis Wharf, Boston, MA 02110. You can also give electronically by going to www.TDX.org, selecting the link to VG Dues, and filling in the amount of your gift and credit card information.

To all of you who gave in 2010 and all of you who will join their ranks in 2011 we thank you and wish you all the best and a belated Happy New Year.

ITB,
GEOFF FITZGERALD, Xi 1967 (Hobart)
Director of Development

VG Letters

Letters to the Director of Development:

"I am very much indebted to the fraternity, and always will be. The combination of my development during important formative years professionally and the lifelong friendships generated through my associations with the brotherhood have proved invaluable to me. Treasured gifts indeed."

CLARK CUMMINGS JOHNSON, Gamma Deut '62 (Michigan)

"I will be attending homecoming at the University of Rochester where I will see more than a few of my brothers. It is bittersweet going back since the Chi Charge ceased to be but nothing can take away the great memories that we share. I will continue to support the brotherhood you may be quite sure."

DAVE KILNAP, Chi '76 (Rochester)

"TDX has been the foundation for many long lasting friendships for me. I am happy to be able to help other young men realize the benefits of such a great organization."

PETER RYAN, Nu '84 (Virginia)

"Theta Delta Chi has had a major impact on my life and I will never forsake it."

MIKE PERFATER, Nu '69 (Virginia)

"My contributions to Theta Delta Chi are a thank you to the fraternity for getting me thru college. I do not think it would have happened otherwise."

DOUG SOUTHERN, Psi Deuteron '64 (UCLA)

Powell Honored at W&M

The William and Mary Alumni Association has honored Michael K. Powell, Epsilon '85, with the Alumni Medallion during a ceremony on campus. The Alumni Medallion is the highest award the Association can bestow on a graduate. Recipients are recognized for their outstanding professional accomplishments, leadership, dedication to their community, and commitment to their alma mater.

Mike, who won the Theta Delta Chi Achievement Award in 2001, served on the Grand Lodge as an undergraduate and has since been Chairman of the Federal Communications Commission.

Convention 2011 to Showcase Boston

Boston, and her academically over-endowed sister city Cambridge, will play host to the 164th International Convention, August 3-6, 2011. The hotel is the **Marriott Boston/Cambridge** in Kendall Square, Cambridge, where we have a favorable rate of \$150, single or double — book directly at (800) 228-9290 or (617) 494-6600, mentioning Theta Delta Chi.

Convention activities will include a reception at the Central Fraternity Office and a cookout at **Kappa Charge** (Tufts University), as well as the customary business sessions, Omega Service, and Grand Banquet. Full registration information will be available at www.tdx.org after April 1st.

"One Hundred Percenters" are donors who have made at least one gift for each year since earning a baccalaureate degree and are listed in **boldface**. If you have never paid VG Dues or are a lapsed donor interested in learning how you can become a 100%er (donor credit for every year since graduation), please let us know. We have devised a reasonably painless and affordable method for those who would like to catch up on those missing years.

THE CHARITOS SOCIETY

A BOND
PERPETUALLY
RENEWED

The Mission of the Charitos Society

LET NO ONE RANK COMMON
FRIENDSHIP ALONGSIDE OURS.

Charitos is the Latin spelling of the Greek word *χαριτος* meaning friendship.

The Charitos Society is the leadership annual giving program of the Theta Delta Chi Educational Foundation. The Foundation supports undergraduate and graduate scholarships; the Preamble Institute, an intensive three day TDX only undergraduate leadership training program; publication of "The Shield;" colonization of new Charges and recolonization of inactive charges; educational programs and the Omega Service at Annual Conventions; educational grants to Charges; the staffing and premises of the Central Fraternity Office in Boston, from which the business of the Foundation, Grand Lodge, and Founders' Corporation is conducted; and much more.

Not four years, but for life.

Theta Delta Chi has made a lasting, beneficial impact on tens of thousands of men since its founding in 1847, a testament to its guiding values and principles. Those who have gone before and realized that benefit have a responsibility to ensure the same opportunity for undergraduate Theta Deltas and future brothers. The oath we took lasts a lifetime. Membership in the Charitos Society will ensure the future of Theta Delta Chi for lifetimes to come.

Benefits of membership

Charitos members will be recognized for their leadership annual giving in *The Shield*, at Annual Conventions, and at all Educational Foundation events. Members also enjoy substantial benefits. For example, Charitos sponsors complimentary or subsidized social, professional, and educational events throughout the year and across the continent consisting of small, intimate gatherings of Charitos members and their guests. These events, such as theater, concerts, sporting events, museum tours, lectures, networking events, golf outings and gourmet dining experiences, allow members to build business and professional relationships with fellow Theta Deltas from top colleges and universities.

The Charitos Society also publishes a newsletter several times yearly to publicize upcoming Charitos events and keep members

A man has to live with himself, and he should see to it that he always has good company.

The good company of fellow Theta Deltas should not end with graduation. The Charitos Society sponsors complimentary or subsidized social, professional, and educational events throughout the year. These small, personal gatherings of Charitos members and their guests include theater, concerts, sporting events, museum tours, lectures, and special dining experiences.

You get back what you give.

You become a member of The Charitos Society by making the following leadership annual gift to the Educational Foundation:

- \$18.47 a month (\$221.64 annually) for Brothers fifteen years or fewer from graduation,
- \$600 annually (\$50 a month) or above for Brothers more than fifteen years from graduation.

Life is a contact sport.

For interested members, The Charitos Society pairs older Theta Deltas willing to counsel, offer advice, and mentor younger graduates. Periodic newsletters publicize scheduled Charitos events and keep members up to date on the business and professional activities of fellow Charitos members. Charitos also facilitates valuable networking opportunities with other Theta Deltas from all Charges across the continent and around the world.

current on the personal and business activities of their fellow Charitos members.

Theta Delta Chi was the first college society to publish a magazine, *The Shield*; the first to adopt colors (blue, black and white); the first to design and fly a characteristic flag; the first to adopt a precious stone (ruby); the first to adopt a patron among the deities of mythology (Minerva); and the first to adopt the use of a pledge pin. To our knowledge, the Charitos Society will be the first leadership annual giving program of its type of any college Greek organization. The generosity of its donors will ensure the financial health of the Educational Foundation, the continued success of all of the individual Charges, and the ongoing social, intellectual, and fraternal development of each and every undergraduate and graduate Brother.

Charitos Society Kicks-Off at Detroit Lions Game

Lions find way to lose after leading by 10 with less than 3 minutes left in the game

November 7, 2010

Detroit, MI — Theta Delta Chi alumni gathered at Ford Field on a football perfect Sunday afternoon for the inaugural Charitos Society event. Brothers from Gamma Triton, Gamma Deuteron and Kappa Triton assembled to enjoy a resurgent Detroit Lions football team host the New York Jets.

Brothers traveled in from Ann Arbor, East Lansing, Port Huron, Auburn and Rochester Hills, Commerce Township, Ferndale, Berkley, Harper Woods and Chicago, Illinois to renew their bonds of brotherhood. Old and new friends swapped stories of their undergraduate days and happenings since graduation.

During breaks in the action, and between plates of nachos, Buffalo wings and stadium dogs, the brothers discussed getting Gamma Deuteron back into 700 S. State Street and how Gamma Triton was enjoying their new house 445 Abbot Road.

All in attendance resolved to give back to the "Old Lady" by mentoring interested Actives, evangelizing The Charitos Society to fellow alumni and contributing financially at a leadership level. The need for expanding programming, particularly ensuring an expanded presence of Charge leaders at The Preamble Institute (<http://preambleinstitute.org/>), was agreed upon.

Conceived as the answer to recession-hampered fundraising, the Charitos Society is the leadership annual giving program of the Theta Delta Chi Educational Foundation.

The Foundation supports undergraduate scholarships; the Preamble Institute, an intensive three day (ΘΔΧ only) undergraduate leadership training program; publication of *The Shield* magazine; colonization of new Charges and re-colonization of inactive Charges; educational programs and the Omega Service at the Annual Convention; educational grants to Charges; the staffing and premises of the Central Fraternity Office in Boston, from which the business of the Foundation, Grand Lodge, and Founders' Corporation is conducted; and much more.

Minerva, Meet Picasso

*From Educational Foundation
Director Philip Curley, Kappa Triton 1976
(Northwestern)*

The Charitos Society celebrated its inaugural regional event on November 11, 2010, in the great Pacific Northwest at the Seattle Art Museum. Taking advantage of a once in a lifetime opportunity, a group of Seattle area Theta Deltis and their spouses and guests were treated to a private reception, lecture and tour of the artist's personal collection — works that he kept for himself with the intent of shaping his own artistic legacy. The exhibition featured over 150 works in a variety of media: paintings, sculptures, drawings, prints and photographs. Every major period from Picasso's eight decades was represented.

The private, one hour slide show and lecture was presented by Professor Marek Wieczorek of the Art History Department of the University of Washington. A Picasso expert, Professor Wieczorek then led the group on a guided tour of the exhibition. The event was underwritten by The Charitos Society, the leadership annual giving program of the TDX Educational Foundation, which sponsors small, intimate gatherings across North America designed to promote social, professional, and educational interaction between local area Theta Deltis.

Charges represented at the event included Upsilon Deuteron (Wabash), Psi Deuteron (UCLA), Kappa Triton (Northwestern), and, of course, Xi Deuteron (Washington). Among those in attendance were well known and respected Seattle community leaders Neil McReynolds, Xi Deuteron 1956 (Washington) and Doug Southern, Psi Deuteron 1964 (UCLA). I was happy to be able to visit Seattle and enjoy the event, and spend the day with an old Theta Delt friend, Kent Hooper, Kappa Triton 1980 (Northwestern), Professor, Foreign Language and Literature and Director, Humanities Program at the University of Puget Sound. *Thanks, Kent, for picking me up at the airport and serving as event photographer.*

Charitos will be back in Seattle in the second quarter of 2011. Hope to see you then.

Blue Ribbon Theta Delt Panel Discusses Mid-Term Elections

*From Educational Foundation Director Philip Curley,
Kappa Triton 1976 (Northwestern)*

The Charitos Society sponsored a roundtable discussion titled: "After the Mid-Term Elections: 2012 and Beyond" on November 29, 2010, featuring a bi-partisan panel of distinguished D.C. area Theta Deltis. Michael Powell, Epsilon 1985 (William & Mary), Senior Advisor, Providence Equity Advisors and former Chairman of the Federal Communications Commission, who served on the FCC at a time of revolutionary change in technology and communications, served as Moderator. Mike also sits on the Boards of Cisco, AOL, the Aspen Institute, and America's Promise.

He was joined on the panel by Bob Wood, Sigma Deuteron 1989 (Wisconsin), President, BGR Government Affairs, and former Chief of Staff, Wisconsin Governor and Health and Human Services Secretary Tommy Thompson, and Francisco Carrillo, Psi Deut 1999 (UCLA), Special Assistant to the Assistant Secretary, Department of the Interior, and former Congressional aide to Nancy Pelosi. John Sides, Assistant Professor of Political Science, George Washington University, an expert in American politics and campaigns rounded out the panel.

The event took place at the Fairfax Hotel, a charming facility nestled in Embassy Row. After a welcoming reception, Brother Powell led the panelists in a lively back and forth on the recent mid-term elections

and what they meant for 2012. They spent an hour or so discussing the impact of a divided government, the changing electorate, the extent of the Republican mandate, the Tea Party, the mixed record of self-funded candidates, the *Citizens United* decision, and results at the local and statehouse levels. An hour plus of questions and answers from the Brothers, spouses, and guests in attendance followed. It was a wonderfully fun and informative evening.

Ten different Charges were represented. Several generations of Sigma Deuteron (Wisconsin) attended, including Fred Seibold 1948, Bob Wood 1989, and Lance Lochner 2009, Graduate Secretary of the Grand Lodge. Epsilon was also well-represented, including Mike Schuler 1983, Mike Powell 1985, and Tom Blackwood 1986. Several alumni and undergraduate Brothers from Chi Deuteron (George Washington) also participated, including Bryan Grackin 2005, Brett Goldsmith 1997, and Charge President Hursh Vasant 2013. Special thanks to Don Noveau, Beta 1970 (Cornell), Founders' Corporation Treasurer, who helped with the planning and logistics.

A great time was had by all, and everyone is looking forward to the next Charitos event in Spring 2011.

Bay Area Event Brings Theta Delts to Cultural Landmark

From Director of Development Geoff Fitzgerald, Xi '67 (Hobart)

It is not often that I get together with fellow Theta Delts in as an exotic setting as The California Academy of Sciences. But this November I was able to join San Francisco area Theta Delts to partake in an evening of friendship, food and beverages at the brand new Academy of Sciences in Golden Gate Park. It was a most enjoyable social event as old and new friends were entertained and educated by explorations of the Academy's rainforest, gem stone collection, multi level aquarium, and even a close up look at a rare albino alligator. Alumni were also treated to a private show/lecture in the Academy's planetarium.

Alumni from classes 1959-89 made new friends and renewed old bonds. Along with spouses and friends they took pleasure in a memorable evening orchestrated by Charitos Chairman Phil Curley, Kappa Triton '76. The event was the first alumni gathering in many years in the Bay Area, and one of several in other regions introducing alumni to our Charitos Society, which is described in detail elsewhere in this issue. More events are planned for 2011, intended to provide our alumni with networking social events around the country. We hope to see you when Charitos comes to your neighborhood.

At the California Academy of Sciences, Director of Development Geoff Fitzgerald, Xi '67 (left) is joined by Bill Madden, Psi Triton '74 and friend Melanie.

Bros United

Big Bros. Wylie Lopez
and Surge Chaudry
with Little Bro.
Tyler Bell

For the second spring semester in a row, the brothers of Lambda Triton will be launching a mentorship program of their own creation to further the philanthropic cause and good name of Theta Delta Chi. The program, called Bros United or BUD, pairs adolescent boys with autism with TDX bros in a 3:1 ratio. It is a seven-week program that meets every Sunday afternoon from January 23-March 6. Each week the TDX Big Bros and their Little Bros do some sort of fun activity to foster a positive interaction and learning experience for both parties. Before the program starts the participating TDX brothers get a full day of training from a behavioral therapist about the challenges and situations that they might encounter with their Little Brothers and how to best handle those situations. This year the events planned include a meet and greet with the group activity of painting a fraternity paddle, bowling, a kickball game, rock climbing, going to a Rutgers Basketball game, ice skating, a campus scavenger hunt, and an awards dinner where the Big Brothers present their Little Brothers with a competed TDX fraternity paddle.

The main purpose of the program is to provide a positive male role model in the lives of boys who may not have one while also shaping each brother's intellectual, moral, and social being. Bro. Alex Lewis was a member of the original five-person development team and he implemented the program last year. "We wanted to create a program that gave us a hands-on experience within the autism community and gave us a reason to keep raising money for this cause. Our plan is to create a successful program here so then we can help other charges that want to do a similar program at their school." Last year there were 8 Little Bros and 27 Big Bros and this year numbers have increased. "There are 10 Little Bros and 34 Big Bros. Everyone is really excited to be doing the program again and the brothers had a lot of fun. In fact, many of them said it was their favorite event of the semester."

In the past the charge funded the program and in addition, each brother paid a \$30 participation fee. This year, however, Lambda Triton is applying for a grant from the Theta Delta Chi Educational Foundation and the Rutgers University Interfraternity Council. The charge is also trying to get local businesses and restaurants to sponsor the program, but the results remain to be seen. The massive 19 brother planning committee has been working hard to perfect the program in terms of fundraising, event planning, website development, and public relations. Through advertising and public relations the charge is looking to get more people on campus, in the community, and in the international fraternity more aware of the program.

Philanthropy Chair Mike Jacobs had a lot to say about Lambda Triton's philanthropy endeavors. "The Bros United program is just one part of what we are doing at Rutgers for this cause. Every year we raise about \$12,000 for our local Autism Speaks Walk for Autism Research and this year we are going to be participating in the first annual TDX Philanthropy Day on April 15th. And that's not including Dance Marathon or other service initiatives. Even though we were overlooked last year for both the Philanthropy and Victory Cups, it hasn't stopped us from trying to achieve even more for the Old Lady."

The Bros United program is a brainchild of Undergraduate Secretary to the Grand Lodge, Matthew Cortland, and the Executive Vice President for Programming of Autism Speaks, Peter Bell. The program has been implemented and perfected by Lambda Triton brother Alex Lewis, Bro. Cortland, Peter Bell, and behavioral therapist Katie Curran of Strength Based Behavior Consulting, LLC. This year Bros. Cortland and Lewis head the 19 brother Bros United committee under the supervision of Philanthropy Chair, Mike Jacobs. Bros United is a TDX program that is administered in partnership with Autism Speaks and Strength Based Behavior Consulting.

Learn more about Bros United at the program's website, which should be up and running in the coming weeks at BrosUnited.com.

Founders' Day in "The First State"

from Spencer Manthorpe, Phi '58 (Lafayette)

For 50 years or more (the mind of man runneth not to the contrary), the Wilmington (Delaware) Graduate Association has been meeting monthly for lunch and in the fall for a Founder's Day Dinner and in Spring for a picnic. The group is pictured at the 2010 Founder's Day Dinner at Jim and Jannine Clark's house. All the members shown are married to their original wives except one who was widowed and remarried. There are some younger members (it's relative) who did not make this dinner. Anyone wanting to join us can contact the President, Jim Fath, nittanyfaths@comcast.net.

Grand Lodge Expansion

■ continued from page 3

Joining PGL Adam McCready, Chi Deuteron '02; Graduate Secretary Lance Lochner, Sigma Deuteron '09; Graduate Treasurer Eric Kelley, Sigma Triton '04 (elected in 2010); Secretary Matt Cortland, Lambda Triton '11 (re-elected in 2010); and Treasurer Matt Amico, Kappa '12 (elected in 2010), will be Stephan Johnson, Gamma Triton '92 (term expiring at the 164th Convention) and Dean Haring, Eta '72 (term expiring at the 165th Convention).

The increased work load of the Grand Lodge and the tendency for its average age to get younger prompted the SCL's action, which is intended to add depth of years and experience to the board. This is the first change in the Grand Lodge's composition since 1909, when the positions of Graduate Secretary and Graduate Treasurer were added. With the expiration of Haring's and Johnson's appointments, the two Executive positions will be filled at Convention by elections to two-year terms, just as the other three graduate positions are.

Kappa Deuts Rally

A group of Kappa Deuts meet every year at an Illinois football game for a tailgate and reunion. Steve Barratt '73 writes, "We have been meeting for the last 4 years and most of us graduated in the 1970's. We would like to invite other KD's from any other time period to join us next year (second or third week in September) for this annual Event.

"We also meet 2 or 3 times per year in the Chicago area to watch Illinois basketball games."

Please contact Steve Barratt at steve.barratt@att.net for more information.

Back Row: Steve and Gen Barratt, Jeff and Debbie Javurek, Butch and Chris Strache, Tom and Beth Mularz, Ryan and Susan Julian, and Dan and Patty Meessmann. Front Row: Joe and Shirley Koski, Jerry Tietz, Al Liptak and Donna Franklin.
