About Our Cover

Director of Expansion **Eric Kelley** has every reason to be pleased with the activities of 2007. The new Grand Lodge is profiled on p. 14. The Preamble Institute for undergraduate leadership training in will return in 2008. Meanwhile expansion is proceeding at a fast pace, with Rho Proteron (*see article page 7*) already approved; Epsilon Triton (Arizona State), Lambda Triton (Rutgers), and Tau Triton (Marist) poised for admission; and Gamma Deuteron University of Michigan) on track for a long-awaited return. Look for *Xi* (Hobart) and *Psi Deuteron* (UCLA) to return soon! More about these ventures in the next *Shield*.

2007 VG Dues Donors are honored in this issue, beginning on page 6.

PGL Letter

First, let me say how humbled I am to become the 62nd President of the Grand Lodge. I follow the lead of many great Theta Delts that have served in this capacity, and I am dedicated to preserving the values and integrity of our organization. I do not take this responsibility lightly, and I look forward to aiding the development of men that improve themselves intellectually, morally, and socially through friendship.

Being from New Hampshire, I recently had the opportunity to execute one of my unalienable rights as a United States citizen: the right to vote. My walk to the polling station allowed me to think not only about our rights as citizens, but also about our rights and privileges as members of our beloved fraternity. For example, each active Charge has the right to have two undergraduate and one graduate delegate vote at our annual conventions. Like the rights of citizenship, our rights and privileges as Thetas are often taken for granted and not brought to fruition (e.g., only a handful of active Charges fielded full delegations to Convention).

With this premise in mind, I challenge all Theta Delts to get the most out of their fraternal experiences, and to execute their powers as members of Theta Delta Chi. We all want the same thing from our fraternity. It was 17th President of the Grand Lodge Carl Harstrom, Xi 1886,

I believe, who said it best during his remarks at an 1897 banquet honoring then Ambassador to England John Hay, Zeta 1858: "We want our fraternity to be a potent factor for good; we want it to

stand for friendship that endures through thick and thin." These words still ring true 111 years later, and will ring true for 111 more.

Yet how can you help Theta Delta Chi be a "potent factor for good"?

For our undergraduates, I challenge you to recruit men of good character, men that aim to improve themselves intellectually, morally, and socially through friendship. It only takes one brother to recruit a new member, and I am confident you can name that one brother who introduced you to Theta Delta Chi (thank you Mike Donaldson, Chi Deuteron '01). If you recruit men of sound character, our Charges will continue to be potent factors of good for years to come.

For our alumni, Theta Delta Chi is ripe with opportunities for involvement and innovation. The majority of our Charges are in need of alumni advisors and support. Rusty Parker, a chapter advisor for Beta Theta Pi Fraternity at Auburn University said, "There is a critical need for young men to have older men take a genuine interest in their growth." With Theta Delta Chi in an exciting period of growth and renewal, chances are that there is a Charge in your own backyard in need of assistance.

Also, are you involved with a Charge or area alumni association? If not, could you take time from your schedule to help develop one? With often thousands of our alumni living in close proximity to one another (e.g., Boston, New York), could you play a role in organizing an alumni association that helps "friendship endure through thick and thin"?

The fraternity is also expanding our programming base for our members. In 2007 the inaugural leadership academy, the Preamble Institute, was an immense success; the program will return in April 2008. By giving to the Theta Delta Chi Educational Foundation, you can assure programs like the Preamble Institute, ones that promote the values of Theta Delta Chi, will continue for years to come.

Much like the United States or Canada, our principles and values only survive through the execution of our rights and privileges as brothers of Theta Delta Chi. Take advantage of these opportunities, and help our beloved fraternity be perpetuated through all future generations.

In the Bonds,
ADAM M. MCCREEDY,
Chi Deuteron '02
(George Washington University)
62nd President of the Grand Lodge

The Old and the Nu Convention 2007

by Director of Expansion
Eric Kelley, Sigma Triton '04
(Penn State)

The **160th CONVENTION** of our beloved fraternity took place August 8-11th and saw a multitude of brothers converge on lovely Charlottesville, Virginia. The long weekend celebrated the **150th anniversary of the chartering of the Nu Charge** and was a testament to the longevity of the fraternity and the dedication of this great body of alumni. In addition, over 60 undergraduate brothers from 22 Charges and one Colony participated in the Convention in a variety of events.

The majority of the Convention attendees stayed at the beautiful Omni Hotel in downtown Charlottesville, right next to a plethora of shops and restaurants. The first evening, many alumni and undergraduates broke the ice with an appetizer reception at the South Street Brewery, a few blocks from the hotel before going out for a night of revelry on the town. The Thursday and Friday business sessions ran smoothly with Bro. **Adam McCreedy**, Chi Deuteron '02, a former Charge Consultant, being elected President of the 131st Grand Lodge. Other new members of the Grand Lodge include **Brian Bertges**, Sigma Triton '00, as Graduate Secretary and **Josh Sowell**, Gamma Triton '09 (Michigan State) and **George Henry Aulson IV**, Iota Triton '08 (UMass-Dartmouth) as the Treasurer and Secretary respectively. Graduate Treasurer **Jerome Arnold**, Xi Deuteron '00 (Washington), will complete the two-year term to which he was elected in 2006.

Thursday evening saw many great events including a group picture at the Rotunda of the University of Virginia, the traditional Omega Service at the University Chapel honoring brothers who passed away in the previous year, and a wonderful reception at the Nu Charge house. The Nu alumni, wives and undergraduates hosted the barbecue with fantastic food and showed off their newly renovated house. It definitely showed that that Charge would be around for another 150 years!

Saturday kicked off with a fantastic morning tour of Thomas Jefferson's home at Monticello. About 100 undergraduates and alumni spent about four hours visiting the estate before returning to the Omni for lunch. We were blessed with perfect weather for the morning and everyone enjoyed the snapshot of colonial life.

After lunch the undergraduates participated in CampusSpeak's Recruitment Boot camp sponsored by the Theta Delta Chi Educational Foundation. The program taught our members

View dozens of pictures from the 2007 Convention at www.tdx.org/.

how to stick to the fraternity values and brand their organizations on their campuses to better recruit members. The program also gave them tangible methods for increasing the size and quality of their Charges.

The Grand Banquet on Saturday evening was truly 'Grand' in every way. In addition, to being one of the largest banquets in the last few years with over 160 guests, it took place at the famous Boars Head Inn. There was a wonderful spirit in the air as we once again celebrated the 150 years of the Nu Charge as well as formally presented the charter for our newest group, Theta Triton at Binghamton University. The awards ceremony recognized many individuals for their service to the fraternity and many Charges for their successful years. Nu Alumni **Peter Hoyt '63** and **Mike Perfater '69** took top honor as **Theta Deltas of the Year** for their service to Nu. **Howard Cosgrove**, Nu '65 was also recognized with the **Theta Delta Chi Achievement Award** for his long career in business and public service.

The **Alumni of the Year** awards were given to **Bob Ferguson**, Eta Deuteron '46 (Stanford) for his service to his Charge and **Jacob Dababneh**, Lambda Deuteron '03 (Toronto), for his work with both his own charge and the Epsilon Triton Colony. Three men were

recognized as **Undergraduates of the Year: Brian Kohn** and **Trevor Johnson** from Nu and **Jeff Blake** from Lambda Deuteron.

The Charge awards were very competitive this year with **Iota Triton** (UMass-Dartmouth) claiming top honors with the **Victory Cup** for Charge of the Year **Sigma Deuteron** (Wisconsin) won **Most Improved**, **Xi Deuteron** (Washington) won the **Presidents Cup** for strongest ritual and **Delta Deuteron** (Cal-Berkeley) won the **Ritual Improvement Cup**. The newest Charge, **Theta Triton** (Binghamton) won the inaugural **Robert N. LoParo Community Service and Philanthropy Cup** named for outgoing PGL Bob LoParo to commemorate his eight years of service on the Grand Lodge. The award will bear his name for the next eight years until the 2015 Convention.

All told, the 160th Convention was an amazing time. Brothers from all over the country converged to tell stories of the past and look to the future. In addition to the large contingent of brothers from the Nu Charge, we also had many alumni from Charges around the country with only a few groups unrepresented.

Next year's Convention in **Las Vegas** looks to be even bigger, as only a city like that could provide. We look forward to seeing everyone again when we all reunite next year for the 161st Convention of our beloved Fraternity.

Joint winners of the Theta Delt of the Year Award **Pete Hoyt, N '63** and **Mike Perfater, N '69**, together at the podium, and (center) **Theta Delta Chi Achievement Award** winner **Howard Cosgrove, N '65**.

Honor Roll by Calendar Year

The Voluntary Graduate Dues Campaign has moved from a fiscal (July through June) to a calendar-year schedule. This issue honors all donors in Calendar 2007 (01/01/07—12/31/07).

Gifts received (or postmarked) in 2008 will be recognized in the Winter 2009 issue.

Rho Proteron is Newest Charge

The Active Charges have unanimously approved the addition of RHO PROTERON to the ranks of Theta Delta Chi. Investiture of the UNIVERSITY OF SOUTH CAROLINA group will take place at the Columbia campus at the end of February, with a chartering banquet in Charleston on March 1 to coincide with Midwinter Meetings of the Grand Lodge, Founders' Corporation, and Educational Foundation. Contact the CFO for more information if you are interested in attending.

Founded in 1859, Rho Charge seems to have existed only one year. All records probably disappeared when the city of Columbia was burned by General Sherman early in 1865. The Grand Lodge later transferred the Greek letter to the Charge at Washington and Lee University in Virginia, designating the USC Charge as Rho "Proteron," i.e. "first" in Greek. Early Catalogues of the Fraternity acknowledge that there is no record of any members.

Last year's Grand Lodge decided that maintaining the "Proteron" rather than assigning an entirely new Charge designation, or reviving "Rho" alone and thus causing potential confusion with Washington & Lee (although that Charge went inactive in 1872), would strengthen the historical connection between the present group and their distant forebears.

The Rho Pro's, as they are sometimes informally called, have made pilgrimages to the grave of Samuel F. Wile in nearby Pineville. Wile is the only founder buried in South Carolina.

Surrounding the delegates assembled at Mr. Jefferson's Rotunda, look for, clockwise from upper left, a pair of delegates dressed for the Virginia August heat lounging on the marble steps; the Victorian Chapel where the Omega Service was beautifully conducted by the Revs. Nick Bacalis, Nu '64 and Jim Hewitt, Nu '71; former Charge Consultant Ryan Aggergaard and new GSGL Brian Bertges ushering at the entrance; the reception at the Nu House afterwards: on the porch, Charge Consultant Eric Kelley taking a well-deserved burger break, and the picture at dusk; a slice of the well-attended Grand Banquet at the Boar's Head Inn; Undergrads of the Year Trevor Johnson, Nu '08 and Nu ex-President Brian Kohn; the Robert LoParo Service Award received by Theta Triton's Michael Lichtman '10 and David Bolatin '10, one of many awards given out that memorable evening.

Recognizing our Donors

"One Hundred Percenters" are donors who have made at least one gift for each year since earning a baccalaureate degree and are listed in **boldface**. If you have never paid VG Dues or are a lapsed donor interested in learning how you can become a 100%er (donor credit for every year since graduation), please let us know. We have devised a reasonably painless and affordable method for those who would like to catch up on those missing years.

- Drop a note to Geoff Fitzgerald
 c/o TDX, 214 Lewis Wharf, Boston, MA 02110 *or*
- email Geoff at gf@tdx.org *or*
- check the appropriate box on the VG Dues reply envelope in this issue.

Theta Delta Chi is pleased to honor alumni who loyally support the Educational Foundation with membership in the following cumulative giving clubs:

\$100	Century Club
\$250	Stars and Arrows Club
\$500	Sons of Minerva
\$1000	Graduate Loyalty Club
\$1847	Founders' Circle
\$5,000	PGL's Society
\$10,000	Robert Frost Society
\$25,000	John Hay Leadership Society
\$50,000	Norm Hackett Legacy Society
\$100,000 or more	Lindsay Russell Society

All past and future gifts of cash, securities and other tangible property on record will be credited toward membership in these giving clubs. Active donors with contributions at these levels will receive annual recognition in The Shield. Thank you for your continued generosity, which is vital to the development of today's and tomorrow's Theta Deltas.

Extending Your Gift

Many companies will match an employee's donation to a 501(c) (3) non-profit educational foundation. We can provide appropriate legal documentation upon request. The following companies matched alumni donations in 2007 and we are truly grateful.

The Flag is Up

Over four days last May, the Theta Delta Chi flag hung on the front porch of one of the cottages at the Robert Trent Jones Club at Lake Manassas, VA. The RTJ as it has become known was the where the President's Cup, competition between the US golfers and the best golfers from the rest of the world was first contested. The RTJ has repeated as the President's Cup host venue on three occasions, the most recently in 2005.

PHIL FRENGS, Psi Deuteron '73 (UCLA) was responsible for our flag flying. Phil has participated for nine years in a private tournament held at the RTJ in May of each year. The tournament known as the "Pinky" is a memorial to Parks LeTellier deceased father of one of Phil's close friends, Scott Parks LeTellier. Scott's father was the team doctor to both the Milwaukee Braves and the Milwaukee Bucks.

At the sixteenth annual tournament in 2006, Theta Delt Frengs claimed his first Pinky Championship. At that time, LeTellier added a new tradition that the tournament victor would be invited back to defend his championship and should hang his fraternity flag at the Cottage that was tournament headquarters. So the inaugural flag was in fact that of Theta Delta Chi. Phil finished second in 2007 to Scott, an active member of Sigma Chi.

Phil Frengs, 2006 winner congratulating host LeTellier on his 2007 victory.

Xi Reunion

XI (HOBART) alumni rallied at the Williams Club in New York last November to celebrate the anticipated return of the Charge to campus.

FRONT, left to right:

Theta Deut Reunion

Last September, sixteen MIT graduates and spouses attended a reunion in Fredericksburg, VA. Such reunions are biennial events, held by Theta Deuteron graduates from the 1950's. Four previous reunions were held in Hilton Head Island, San Francisco, Phoenix, and Estes Park, Colorado. The gatherings are completely informal and are dedicated to conversation, food, conversation, local sight-seeing and conversation. The next reunion will be held in Seattle next year.

A group photograph taken in Fredericksburg shows how well all the attendees and spouses have survived the passage of time. It can also be seen on the following web site:

<http://www.neergaard.org/rhn/FredericksburgReunion/FbergReunionHome.html>

If certain classmates cannot be recognized, it is merely an artifact of the camera! Try imagining them a bit less dignified-looking.

A Theta Deuteron (MIT) reunion in Fredericksburg, Virginia last September was hosted by Joan and Bill Rice '53.

Gamma Deut Reunion

The entire Spring 1965 pledge class (the "Red-Eyes") of Gamma Deuteron (Michigan) held a reunion in Ann Arbor over the weekend of September 22nd-24th. Most of the eight members were accompanied by their wives. Attending were Bruce Andeen (and his wife Lyn), Phil (and Mary) Hammond, Jim Turbett, Bob (and Genae) Vreeland, Mike Watts (and Fran Henderson), Ray Wilcox, Larry (and Francie) Woods, and Rodger Young.

Not only was it remarkable that all eight members of the pledge class attended 38 years after their 1968 graduation, but they traveled from all over the country: California, Virginia, Texas, Minnesota, Tennessee, and Arkansas. Some had not been in contact with each other since they left Ann Arbor.

After enjoying Michigan's 27-13 victory over Wisconsin, the group socialized with other Gamma Deuts including Tim (and Beverly) Walter, Steve (and Jeannine) Chapman, Tom (and Rosanne) Bloomer, Jim LaSovage, Barry (and Clarice) Morris, Larry Bell, Jim (and Jane) Hartough, and others.
